Mitsubishi Electric Automotive America GIVE Philanthropy Committee

COMMUNITY IMPACT REPORT

Lending a Helping Hand to a Local High School

The GIVE Committee may be one of Mitsubishi Electric’s newer philanthropy committees, but it has already had a big impact in its community. Over the past few years GIVE has been nurturing a partnership with **Rancho Alamitos High School**, a local school that serves youth with and without disabilities. GIVE has donated over \$3000, with MEAF matches, targeted towards students with disabilities. While donations are very important, sometimes the best way to make changes for the better is face-to-face. During GIVE’s 2009 Hallway Golf Tournament, several Rancho Alamitos students and teachers were invited to play the course. The students, teachers and Mitsubishi Electric employees had a great time and raised nearly \$2000 for the school!

Small Steps Add Up to Big Change

Making changes for the better doesn’t always require a major project or huge fundraiser. By holding a series of small and simple, yet fun fundraisers throughout the year, the GIVE Committee has been able to raise money to help a variety of organizations. GIVE raised more than \$300 each for a **Valentine’s Day Flower Sale** and a **Spaghetti Lunch** fundraiser (they even got Trader Joe’s to donate the spaghetti!). A **Chili Cook-Off**, **Nacho Sale** and a **Father’s Day Lunch** fundraiser each raised \$250. It’s easy to see how small fundraisers can add up to something big!

One Committee Helping Another

When the GIVE Committee formed in 2008, the new members decided to start big, choosing to participate in the **Revlon Run/Walk for Women**. To help the brand new committee get a leg up on their fundraising, the **PEACE Committee at MEAA/Northville, MI** paid the registration fee for the event. Many Garden Grove employees, along with their families, participated in the Walk, and even more employees made donations. At the end of the day, the GIVE Committee raised over \$1500. Not bad for their first project!
